

Denver JAZZ Club NEWS

Note: To avoid a conflict with Father's Day, we will meet on the Second Sunday in June, June 14, featuring Jeremy Mohney and his Orchestra

For over a decade, Jeremy Mohney has led one of Colorado's most popular swing bands. His spirited renditions of jazz classics as well as original compositions in the swing style give him a unique and authentic dimension. Whether playing for a jam-packed ballroom for dancers, or playing for lovers of music in an intimate club, Mohney has the charm to capture the attention of any audience.

Mohney's band consists of a core trio of bass, guitar and Mohney on sax and vocals. For the Denver Jazz Club, he will bring a 9-piece big band of drums, bass, guitar, three reeds and three brass to comprise Jeremy Mohney and His Orchestra. They will be with us on **Sunday, June 14**, at the Westminster Elks, 3850 Elk Drive, from 2:00 until 5:00 PM. The Claim Jumpers from University of Colorado – Denver are off for the summer.
